

MOTHERSHIP RECORDING STUDIOS

Beam up to success..

WHO WE ARE.

The Mothership is a full production digital voice recording studio suite that caters to all voice recording applications including: ADRs/Dubbing, Narration, Audiobooks, Commercials, Animation, Gaming, AVPs, PSAs, Telephonics, Internet videos, Jingles, Station IDs and anything you needed talked about. Commanding the Mothership is veteran voice director Brian Ligsay, who's more than 20 years of industry experience guarantees professional results each and every time. Backed by an exceptional team of Actors, Writers, Engineers and Production Specialists – they have the technical know-how and sure fire expertise to handle any voice recording you need.

WHAT WE DO.

We excel at finding the exceptional. From pencil to storyline, imagination to application, the crew of the Mothership Recording Studio will find the right talent and expert crew to assist you in your travel to the creative universe. We screen, scan, translate, adapt, perform and qc check every single recording output. Using state-of-the art recording facilities in a convenient and relaxed environment, talents find our place their go-to “hangout studio” and clients feel less tensed with ample production facilities that cater to their most demanding ideas. With Hi-speed internet, customized desk setups, and personalized kitchen usage, you can definitely maximize your studio time to its fullest! Heck, we even have a lazy boy for the big boss in you to lounge on.

WHERE WE ARE.

Located conveniently near E.Rodriguez cor. Tomas Morato, Quezon City in the Philippines. The Mothership Recording Studios is at the 15th floor of Winland Residences Tower, accessible to commute from any point in Manila. A 5-minute drive from Cubao and a stone's throw away from major TV and Radio stations in QC. Ample parking spaces at the front and near the building, with 2 Gas stations no more than 100 meters away and a 7-11 store just below the building, our location boasts an array of food choices from the food paradise lane of Tomas Morato.

WHAT YOU GET.

With a strong foundation in the Voice acting biz, our clients are pampered with a selection of hundreds of talents ranging from the most obscure performances to the most challenging accents. When you need a specialty in recordings, we can provide even the most difficult languages and dialects to find. Mandarin, French, Nihonggo, Italian, Arabic, Russian, Indian, Farsi, Burmese, are just some of the languages our talents have performed in. From Cartoons to Live action and Drama, the crew of the Mothership is at your disposal for the most demanding audience.
